In Your Grocer's Freezer Subject

Have you ever pondered the artistic merit of a carrot? Use your inner artist to portray items found "in your grocer's freezer" and other grocery items. Try packaging design, meals made with grocery items, and even the items themselves. How do you abstract an onion? Maybe you could demonstrate! Let your imagination and creativity flow; just don't knock over the fruit juice on the bottom shelf.

Have fun, make art, and show without the hassle!
